# A Message from the President

Sharda University Uzbekistan aims to be India's first campus in Eurasia, serving students from Uzbekistan and neighbouring Eurasian countries: Kazakhstan, Kyrgyzstan, Turkmenistan and Tajikistan.

Sharda University Uzbekistan, also foresees establishing multiple Centres of Excellence to promote research and innovation for benefit of the entire region. Sharda University Uzbekistan is here for the long run to build a world-class education culture and develop future leaders who will change Uzbekistan's skyline.

## **Mr. Prashant Gupta**

President

## A Message from the Rector

Sharda University Uzbekistan provides world-class education to students in Uzbekistan and other countries. We have adopted the European Credit Transfer and Accumulation System (ECTS). Well-qualified and experienced faculty members, state-of-the-art infrastructure and an excellent repository of information and knowledge have made SUUZ one of the leading universities in the Fergana Valley, Uzbekistan and Central Asia. Collaboration with international universities across different countries, provision of semester exchange programs abroad, industry internships and Work & Travel programs in Europe and the USA have made SUUZ the No. 1 choice among students.

**Prof. (Dr.) Sanjay Pal**  
Rector

## A Message from the Vice Rector

Sharda University Uzbekistan encourages multicultural education and adopt a culturally responsive approach to teaching and learning. In 21st century, success in development can only be achieved by those countries that have chosen to prioritize investment in human capital. The key factors influencing the quality of higher education is the quality of faculty, curriculum standards, technological infrastructure available, research environment, accreditation regime, administrative policies, financing, evaluation and good governance. At Sharda University Uzbekistan, we are focused on creating program differentiation increasing student engagement, designing competency based Curriculum and improving data accuracy.

**Dr. Sankar Ganesh**  
Vice Rector and Registrar

# Sharda University Uzbekistan

Sharda University Uzbekistan encourages multicultural education and adopts a culturally responsive approach to teaching and learning. In the 21st century sustainable development can only be achieved by only by countries that prioritise investment in human capital. Key factors influencing the quality of higher education include the quality of faculty, curriculum standards, available technological infrastructure, research environment, accreditation processes, administrative policies, financing, evaluation methods, and good governance. At Sharda University Uzbekistan, we promote a multicultural education system and remain committed to fostering program differentiation, increasing student engagement, designing competency-based curricula, and improving data accuracy.

Sharda University Uzbekistan is one of the privileged universities in Uzbekistan to receive a license from the State Inspectorate for Supervision of Quality in Education under the Government of the Republic of Uzbekistan. It was established in 2019 under a special Presidential decree, in line with the Sharda Group's commitment to providing globally benchmarked education to every student.

It is the first offshore campus of Sharda University, India's global university with students from 95+ countries. Over the years, it has emerged as one of India's leading centres for education, research and innovation. As Uzbekistan continues to grow as an emerging nation in the Central Asian region, in the Central Asia region, Sharda University Uzbekistan aims to serve not only students from Uzbekistan but also those from neighbouring countries in central Asia and the CIS.

## Best Higher Education Institution in Andijan

in the Region – 2024

## Ranked Top 10 in Asia

Recognized among the Top 10  
Engineering Colleges in East &  
Central Asia – Asia Education  
Review (2025).

# Why Sharda University Uzbekistan?

## Presidential Decree University

The first independent private university in Andijan, established under a special Presidential Decree of Uzbekistan.

## 100% Job Placement Support

We provide full job placement assistance, connecting students with leading employers for successful careers.

## Global Semester Exchange Program

Access semester abroad opportunities through partnerships with 17 universities in 16 countries.

## Dual Degree Advantage

Graduate with both the Hemis Diploma and a globally recognized degree from Sharda University Uzbekistan

## Software Development Labs

Work on live tech assignments in our Software Development Centre and gain real coding experience.

## Clubs, Sports & Campus Life

Enjoy vibrant student life with 13+ clubs, sports activities, cultural events, and leadership opportunities.

## Mentorship from International Faculty

Learn directly from experienced global educators who bring international knowledge, perspective, and teaching quality.

## Work & Travel Abroad

Exclusive Work & Travel programs in the USA and Germany, open to all eligible SUUZ students.

## Startup & Innovation Centre

Turn ideas into action at our Entrepreneurship - Development Centre, supporting student-led startups and innovation.

## State-of-the-Art Infrastructure

Modern campus with smart classrooms, hi-tech labs, auditorium, and cafeteria designed for a world-class learning experience.

## Industry Internship Opportunities

Gain practical skills through real-world internships with top companies during your academic journey.

## Awards & Global Recognition

Recognized among the Top 10 Engineering Colleges in East & Central Asia – Asia Education Review (2025)

Recognized as the Best Higher Education Institution in Andijan Region – (2024)

## Student Percentage

65%

Female

35%

Male

A 65% female student community reflects our strong commitment to creating a safe, supportive, and empowering environment where women thrive academically and personally.

# World-Class Infrastructure

## Modern Classroom

Smart classrooms designed for interactive and technology-enabled learning.

## Computer Lab

High-tech computer labs equipped with latest software and systems.

## Cafeteria

Vibrant cafeteria offering diverse, hygienic meals and comfortable seating.

## Gym

Well-equipped gym promoting fitness, strength, and student wellbeing.

## Software Development Cell

Innovation hub where students build real-world software solutions.

## Auditorium

Modern auditorium for conferences, cultural events, and academic engagements.

## Outdoor Sports Facilities

Indoor and outdoor sports facilities promoting fitness and teamwork.

## Centre of Excellence in Enterprise

Advanced centre fostering innovation, research, and industry collaboration.

## Library

Extensive library resources supporting research, study and academic growth.

# Events & Activities

## Industry Visit Program

A vibrant welcome event introducing first-year students to campus life, culture, and their academic journey.

## 100% Scholarship Award

Full scholarship awarded to outstanding SUUZ students, recognizing academic excellence and encouraging future leaders.

## Talent Show Prize Distribution

Outstanding performers were recognized and awarded for their exceptional creativity and stage performances.

## Influencer Interaction Session

Renowned influencers engaged with students, sharing experiences, ideas, and inspiration for personal and professional growth.

## Kokand Educational Trip

Students visited Kokand for an enriching trip combining cultural exploration, learning, and memorable experiences.

## SU Uz Students visited SU India

A vibrant welcome event introducing first-year students to campus life, culture, and their academic journey.

## Graduation Day Celebration

A proud moment celebrating graduates' achievements, marking the successful completion of their academic journey.

## Student Brand Building Event

Students organized a dynamic brand-building event, showcasing creativity, marketing skills, and teamwork.

## Sharda Fest

An exciting cultural festival filled with performances, competitions, and celebrations showcasing student talent.

# Future Prospects

Higher Study Abroad

Job Placement- Placement support

Entrepreneurship

## Higher Study Abroad

Sharda India or other Partner Universities Overseas

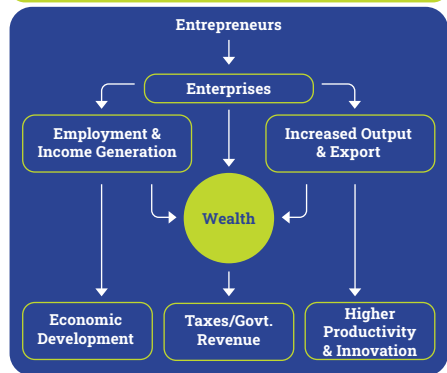

## Job Placement- Placement Support

A dedicated placement cell managed by competent professionals liaises with companies, disseminates information, and organises interviews for placement.

## Entrepreneurship

Entrepreneurs create enterprises and thus identify business opportunities, convert raw material into final product, create wealth and employment, promote value addition and contribute to export and economic development. Therefore, students can think of launching a start-up and thus choose the path of entrepreneurship.

### What Entrepreneurs Do?

## Road Towards Entrepreneurship

Sharda University Uzbekistan, through a dedicated Entrepreneurship Development Cell (EDC), provides coaching, guiding, counselling and mentoring to students, enabling them to start new enterprises. The EDC is working towards enhancing skill, attitude and knowledge to encourage students to launch their enterprises.

### Tripod of Entrepreneurial Competencies

Test Marketing

Accessing Finance

Enterprise Establishment

Product Launching

SUUz, in collaboration with Sharda India Launchpad and other incubator centres run by foreign universities in different countries, provides incubation support to students.

An Early Stage Incubator And Entrepreneurial Ecosystem

In collaboration with industry associations, Chamber of Commerce & Industry, EDC conduct programmes and activities for New Enterprise Creation (NEC) and Family Business Management (FBM) where students participate and learn the techniques.

### Activity Spectrum of EDC

EDC provides 360 degree assistance that enable students to start, sustain and grow their businesses.

Enterprise Creation

Enterprise Sustenance

Enterprise Growth

### Eco-system

Students get an opportunity to participate in different Eco-system development activities as mentioned below

- ▶ Idea Pitching Session
- ▶ Hackathon
- ▶ Business Plan Competition
- ▶ R&D Support
- ▶ Start-up Support
- ▶ Investor Pitching
- ▶ Entrepreneur- Banker/VC/AI Interface
- ▶ Mentor Network
- ▶ Networking (PPP)
- ▶ Business Acceleraton

### Landscape of Incubation and Mentoring Support:

- ▶ Coaching on Entrepreneurship as Career.
- ▶ Guidance in selecting Product
- ▶ Coaching in Business Plan Preparation
- ▶ Mentoring in Accessing Technology / Market

### Tripod of Entrepreneurship

Entrepreneur

Enterprise

Support System

### EDC Hardware

- ▶ 24x7 and 365 days support to potential entrepreneurs
- ▶ Sharda Launchpad
- ▶ Collaboration Abroad: Global Network
- ▶ Directory of Business Opportunities
- ▶ Market Research Reports
- ▶ Repository of Business Plans
- ▶ Technology Data Bank
- ▶ Access to Finance Guidebook
- ▶ Business Internationalisation Platform

# The Uniqueness

## About Faculties

Sharda University Uzbekistan, boasts a distinguished blend of local and international faculty members who bring a wealth of academic and professional expertise. Most hold Ph.D. degrees and have worked across diverse educational and industrial landscapes worldwide. Their rich experience spans academia and industry, with notable contributions including international research publications, patents, and involvement in global academic collaborations. This dynamic faculty ensures students receive a globally relevant and intellectually rigorous education.

## Placement Cell

The mission of the Placement Cell at SUUZ is to provide job opportunities for the students. In addition to working on student skill development and capacity building, the Cell does necessary liaison work with private and public sector organisations for job placement. The Placement Cell has a database of more than 100 companies and organises job fairs by inviting them.

## Entrepreneurship Development Center

Entrepreneurship Development Centre provides 360-degree mentoring and handholding support to the students to launch their enterprises/ start-ups. The Centre helps them identify business opportunities, conduct market surveys, prepare business plans and launch enterprises.

## Software Development Cell

The Software Development Cell at SUUZ allows students to work on various innovative software development projects. This allow them to apply their classroom learning in practical content through the projects they undertake and attain the objectives of Outcome based learning.

### **Industry-connect**

SUUz has a unique industry-Connect activity where students undertake an industrial visit and do an internship. Also industry resource activity persons are invited to share their experience as guest lecturers. Students get theoretical learning in the classroom and practical learning from the industry while doing an industrial Internship through this industry connect activity.

### **Work & Travel Program**

SUUz has implemented a policy of Work & Travel Program for the last few years. Under the aegis of this program, students go to USA, Germany and other European countries to work when they apply their classroom learning into practice.

### **Semester Exchange Program**

Under the Semester Exchange Program, SUUz students go to foreign countries and study for one semester at an international university outside Uzbekistan. This allows them to study in an international environment in a foreign country with students from many countries worldwide. Apart from studying, they visit different companies and learn how they function.

### **Center Of Excellence In Enterprise, Investment And Trade Promotion**

The objective of the Centre of Excellence in Enterprise, Investment and Trade Promotion is to facilitate students and faculty to work on various development projects like SME development, cluster development, trade and investment promotion, market research, value chain development, etc. This Centre manages the university's outreach activities, and students get to work on value-added projects with guidance from faculty members.

### **International Collaboration Cell**

Sharda University Uzbekistan, has collaborated with international universities in Europe, North America, Latin America, Asia and CIS countries. This collaboration aims to allow the students to participate in a semester exchange program, collaboration in projects, research and publication, etc.

### **Merit Based Scholarship**

Sharda University Uzbekistan, provides merit-based scholarships to its students. Based on how the students perform in the university examinations and their Cumulative Grade Point Average (CGPA), they can get up to 100% scholarship from the 2nd year onwards.

# Programmes Offered

## Faculty Of Engineering & Technology

As someone passionate about technology and innovation, I encourage you to explore, experiment, and challenge yourself. Together, we will turn your ideas into real-world solutions and prepare you for a future full of opportunities.

### Dr. Santosh Kumar Sharma

Dean  
Faculty of Engineering and Technology

## Bachelor Of Technology (B.tech.)

- 01 Computer Science & Engineering (CSE)
- 02 CSE with specialization in Cyber Security
- 03 CSE with specialization in Information and Technology (IT)
- 04 CSE with specialization in Artificial Intelligence and Machine Learning

Bachelor of Technology is a four-year programme combining practices and theories based on modern industries and futuristic technologies. This programme prepares students for general careers in the broad field of Technology. While students may specialize in a particular technology, the key purpose of the degree is to equip students with the confidence to work in diverse domains of Technology to full the demands of rapidly evolving industries. In the beginning year, students are exposed to Computer Science & Engineering before choosing a specialization for the second year & beyond. The undergraduate programmes at Sharda University are designed for graduate students who wish to extend their education to a specific area of interest. This programme can be earned through independent study, guided projects or industry internships.

### Admission Requirements

- ▶ Candidate should have completed Grade XI (11/12 years of compulsory education)
- ▶ Candidate should qualify Sharda University Scholarship & Admission Test (SUSAT)
- ▶ Personal Interview (For Uzbekistan Students)/Online Interview (For International Students) or (IELTS 5.0 or higher/equivalent test)

### Outcome

After completing B.Tech., the learners will be able to :

- ▶ Develop insights related to CSE, AI & ML, cybersecurity fundamentals, and IT.
- ▶ Add value to an organisation/ company working in the domain of CSE.
- ▶ Gain sufficient knowledge and expertise to get a quality job or become an entrepreneur.

## Master Of Technology In Computer Science And Engineering (M.TECH. – CSE)

Application of computer science in education, training, research and industry is increasing daily. Whether Central Asia, Commonwealth of Independent States or any part of the world, Computer Science and Engineering (CSE) is gaining increasing importance in all walks of life. The utility of CSE is widening in scale and scope, whether in the industry, private sector, government, semi-government, education, research or development sector. Master of Technology in Computer Science and Engineering program is offered to learners interested in pursuing advanced learning in Computer Science and Engineering. It aims to equip the learners with advanced conceptual knowledge, technical skills, and the ability to pursue computer science and engineering research appropriate to the present information and communications technology (ICT) scenario. This two-year full-time M.Tech. program comprises core courses, elective courses, mini-projects, seminars and dissertations. Learners also get a chance to do their internship in the industry.

### Admission Requirements

- ▶ Bachelor's Degree in relevant field of Engineering and Technology (CSE/IT/Software Engineering/Electricals/ Electronics) or any other related Disciplines, as well as other equivalent qualifications that are accepted by the Sharda University Uzbekistan.
- ▶ Candidate should qualify Sharda University Scholarship and Admission Test (SUSAT).
- ▶ Personal Interview (for Uzbekistan Students)/Online interview (for international Students) or (IELTS 5.0 or higher/equivalent test).

### Outcome

After completing M.Tech. in CSE, the learners will be able to :

- ▶ Gain sufficient knowledge and expertise to take up a quality job.
- ▶ Contribute to the advancement of a company and the country in the domain of CSE.
- ▶ Launch an enterprise and promote value addition.
- ▶ Teach in the Bachelor's Program

### Amongst various options, some of the job opportunities the learner can explore after the Master's degree are as follows:

Data Architect, Application/Infrastructure Architect, Data Scientist/Analyst, Data Engineer, Business Analyst, Business Intelligence Manager, Machine Learning Engineer, Higher Education and Research, Network Security Specialist, Wireless Network Engineer, Network Architect, System Administrator, Security Administrator, Security Architect, Network Engineer, Higher Education and Research.

# Faculty Of Management

Leadership, strategy, and problem-solving are at the heart of what we do. If you are driven to shape the future, develop practical skills, and make a difference, I am excited to guide you on this journey.

## Dr. Shyam Nagala

Officiating Dean  
Faculty of Management

## Bachelor Of Business Administration (BBA)

- 01 BBA-Human Resource Management
- 02 BBA-Entrepreneurship
- 03 BBA-Marketing
- 04 BBA-International Business
- 05 BBA-Finance

Today's world requires a new business leader who can deliver innovative solutions that enable companies to grow and prosper. Sharda University, Uzbekistan's Faculty of Management, has been established to nurture managers with new-age skills to become industry ready. The Faculty is led by distinguished faculty members engaged in rigorous academic research on various industry-related subjects. They bring high-level specialist knowledge in varied subjects and a wide understanding of diverse cultures and industry environments to their teaching. The undergraduate programmes at Sharda University are designed for graduate students who wish to extend their education to a specific area of interest. This programme can be earned through independent study, guided projects, and industry internships.

### Admission Requirements

- ▶ Candidate should have completed Grade XI/XII (11/12 years of compulsory education).
- ▶ Candidate should qualify Sharda University Scholarship & Admission Test (SUSAT).
- ▶ Personal Interview (For Uzbekistan Students)/Online Interview (For International Students) or (IELTS 5.0 or higher/equivalent test).

### Outcome

After completing BBA, students will be able to :

- ▶ Develop insights related to the fundamentals of business management.
- ▶ Apply their knowledge to solve managerial problems in an organisation/ company.
- ▶ Apply the knowledge gained for future career, job or entrepreneurship.

## **Bachelor Of Science In Economics & Finance (B.Sc.- Economics & Finance)**

Discerning leaders are needed now more than ever; leaders who can see the connection between economic expansion and financial stability. The financial health of an individual, a company, a community, or a country can affect the choices made. Those attempting to make prudent financial decisions would do well to get an appreciation of the state of the economy. The Bachelor of Science in Economics and Finance program at Sharda University Uzbekistan focuses on the interplay between the two disciplines. Finance focuses on the key points of industry risk and return on investment, while economics examines how a country, region, or specific market performs. Both subjects are significant, offer a comprehensive education and open up intriguing new prospects. The Bachelor of Science in Economics and Finance program is designed to give students an education in economics and finance at par with the best in the world. Courses in economics and finance are included in the curriculum to provide students a strong grounding in the fundamentals and a head start on applying them to their professional lives. The curriculum can be completed by self-study, mentored projects, and field internships. Throughout their time at the university, students will have the opportunity to have an academic mentor who will work with them as a team to help them grow as competent professionals.

### **Admission Requirements**

- ▶ Candidate should have completed Grade XI/XII (11/12 years of compulsory education).
- ▶ Candidate should qualify Sharda University Scholarship and Admission Test (SUSAT).
- ▶ Personal Interview (for Uzbekistan Students)/Online interview (for international Students) or (IELTS 5.0 or higher/equivalent test)

### **Outcome**

After completing B.Sc. in Economics & Finance, the students will :

- ▶ Develop insights related to the fundamentals of economics and finance.
- ▶ Gain expertise and be able to analyse issues arising in economics and finance.
- ▶ They must be able to apply their knowledge to solve theoretical and applied problems in economics and finance.
- ▶ Apply the knowledge gained on the subjects for policy implications.

## Master Of Business Administration (M.B.A.)

The significance of management education is becoming increasingly important across the globe, and Uzbekistan is no exception. In today's context, any organisation, private or public, small and medium enterprises or large multinationals requires competent managers who can steer the growth of that organisation. As a manager, one should have a complete understanding of an organisation's various functional and managerial aspects so that he/she can analyse the current industry scenario and decide a course of action for future growth, expansion and diversification. Moreover, the prospect of entering a professional career with exposure to academia and industry is the need of the day; particularly for individuals who desire to start their own business or who intend to work in leadership positions in an organisation. The MBA Program curriculum will develop their leadership potential and give them necessary managerial competencies, strategic capabilities, and essential skills. The two-year full-time MBA program at Sharda University Uzbekistan, is divided into four semesters and offers dual specialisation. Students should choose any two specialisations from the following options.

01 International Business

02 Marketing

03 Finance

04 Entrepreneurship

05 Data Analytics

06 Human Resource Management

### Admission Requirements

- ▶ Bachelor's Degree in Management, Business Administration or any other related disciplines, as well as other equivalent qualifications that are accepted by the Sharda University Uzbekistan.
- ▶ Candidate should qualify Sharda University Scholarship and Admission Test (SUSAT).
- ▶ Personal Interview (for Uzbekistan Students)/Online interview (for international Students) or (IELTS 5.0 or higher/equivalent test).

### Outcome

On successful completion of the programme, the learners will be able to :

- ▶ Develop a thorough understanding of the functional and managerial aspects of an organization.
- ▶ Comprehend management tools to identify, analyze, create enterprise opportunities and solve industry problems.
- ▶ Apply the business acumen gained in practice.
- ▶ Communicate and negotiate effectively to achieve organizational and individual goals.
- ▶ Upgrade professional and managerial skills in their place of work.
- ▶ Take a managerial job in multinational organisations, private sector, government, international organisations, banks, development organisations, etc.
- ▶ Start enterprises of their own.

## Faculty Of Humanities

I believe in nurturing curiosity, creativity, and empathy. If you are eager to understand the world, express yourself, and make a meaningful impact, this is the place to grow and thrive.

**Dr. G. Anand Binod Singh**

Dean  
Faculty of Humanities

### Bachelor Of Arts (Applied English)

This program aims to produce graduates who are highly skilled, versatile, and specialized in English. The courses/ subjects offered under this programme cover all aspects of the English language that help students improve their language skills, phonetics, grammar and applied linguistics. Additionally, the course prepares students with all the necessary language skills for the global employability. This course teaches the students how to interact effectively, analyse critically and be creative. The program is designed to enhance students' English Language competencies, which can be applied to a wide range of careers such as teaching, academia, public relations, advertising in corporations and public sector organizations, strategic communication in corporate houses, event management, language expert, translation expert, content developer, print and electronic journalism, scientific and medical journals, commercial magazine publishing houses, content writing, blogging and as IELTS trainers, etc.

The program aspires to equip the graduates with :

- ▶ Prociency in the four language skills (listening, speaking, reading and writing).
- ▶ Prociency in teaching English as a second language.
- ▶ An expert in critical translation strategies.
- ▶ Provide them with the opportunity to pursue higher education at the international platform.

### Admission Requirements

- ▶ Candidate should have completed Grade XI/XII (11/12 years of compulsory education)
- ▶ Personal Interview (for Uzbekistan Students)/Online interview (for international Students) or (IELTS 5.0 or higher/equivalent test)

### Outcome

After completing BA-AE, the learners will be able to :

- ▶ Gain sufficient knowledge of the English language.
- ▶ Work in diverse domains like teaching, training, interpretation, language translation, content writing, communication, media, etc.
- ▶ Start an enterprise like launching an English language centre, education centre, coaching centre, etc.

# Fee Structure

Programs	Category-I	Category-II
	Tuition Fee Per Year (UZS) Scholarship based on SUSAT+IELTS in the 1st yr. and CGPA from 2nd yr. onward	Fixed Tuition Fee Per Year for Four Years
<b>Bachelor's Program</b>		
B.Tech	33,632,000	20,240,000
BBA	31,530,000	18,975,000

BA-AE	29,428,000	17,710,000
<b>Master's Program</b>		
M.B.A	37,000,000	15,180,000
M.Tech	40,000,000	13,915,000

## Admission and Scholarship Criteria- Fall 2026

### Bachelor's Program

Programs	Admission Criteria	Scholarship
B.Tech.	SUSAT + PI if no IELTS SUSAT if they have IELTS	Scholarship Criteria-A
BBA	SUSAT + PI if no IELTS	Scholarship Criteria-A
	If candidates have IELTS, no SUSAT and no PI	Scholarship Criteria-B
B.Sc. Economics & Finance	SUSAT + PI if no IELTS	Scholarship Criteria-A
	If candidates have IELTS, no SUSAT and no PI	Scholarship Criteria-B
BA-AE	No SUSAT and no IELTS - just PI for admission	Scholarship Criteria-C
	If candidates have IELTS	Scholarship Criteria-B

### Master's Program

Scholarship is available for Masters program based on the students grade in the Bachelors program and performance in the SUSAT & PI.

Scholarship Criteria-A		Scholarship Criteria-B		Scholarship Criteria-C	
Marks (SUSAT+ IELTS/ PI)	Scholarship Percentage	IELTS Only	Scholarship Percentage	PI Performance	Scholarship Percentage
35.99 – 59.99	10 %	5.0-5.5	10 %	Average	10 %
60 – 74.99	15 %	6.0-6.5	15 %	Good	15 %
75 - 84.99	20 %	7.0-7.5	20 %	Very Good	20 %
85 – 89.99	30 %	8.00	30 %	Excellent	30 %
90 and above	50 %	8.5 and above	50 %	Extra-Ordinary	50 %

# Admission Process

Prospective students seeking admission to Sharda University Uzbekistan for courses in the Faculty of Engineering and Technology, Faculty of Management, and Faculty of Humanities should have completed a minimum of 11 years of education and have good English proficiency. All programmes are taught in English by eminent faculty. Sharda University Uzbekistan offers programmes for bright students seeking to pursue higher education in international universities.

## Sharda University Scholarship and Admission Test (SUSAT)

The duration of the test will be 90 minutes. Candidates will be evaluated on the scale of 75 and the Cutoff marks to pass SUSAT is 20. There are objective type questions.

## Syllabus

- ▶ SUSAT for 'Bachelor of Technology (B.Tech)' has questions on Mathematics, Physics, Logic & Reasoning and English.
- ▶ SUSAT for 'Bachelor of Business Administration (BBA)' has questions on English, General Knowledge, General Aptitude & Mathematics.
- ▶ SUSAT for 'Bachelor of Arts (BA) - Applied English' has questions on Reading, Writing, Listening and Speaking in English language.
- ▶ SUSAT for 'Bachelor of B.Sc. - Economics & Finance' has questions on English, General Knowledge, General Aptitude & Mathematics.
- ▶ SUSAT for 'Masters of Technology (M.Tech)' has questions on Software Development, Compiler Design, Algorithms, Cyber Security, Data Analysis, Web Design, Software Processes, Database Management and Cloud Computing.
- ▶ SUSAT for 'Masters of Business Administration (MBA)' has questions on English, General Knowledge, General Aptitude & Mathematics.

## English Proficiency

The English proficiency of the candidates will be evaluated either through (i) internationally accepted proficiency tests like IELTS, ESOL, TOEFL, PEARSON, CEFR etc. or (ii) Personal Interview. The scores for internationally accepted proficiency tests will be considered as under:

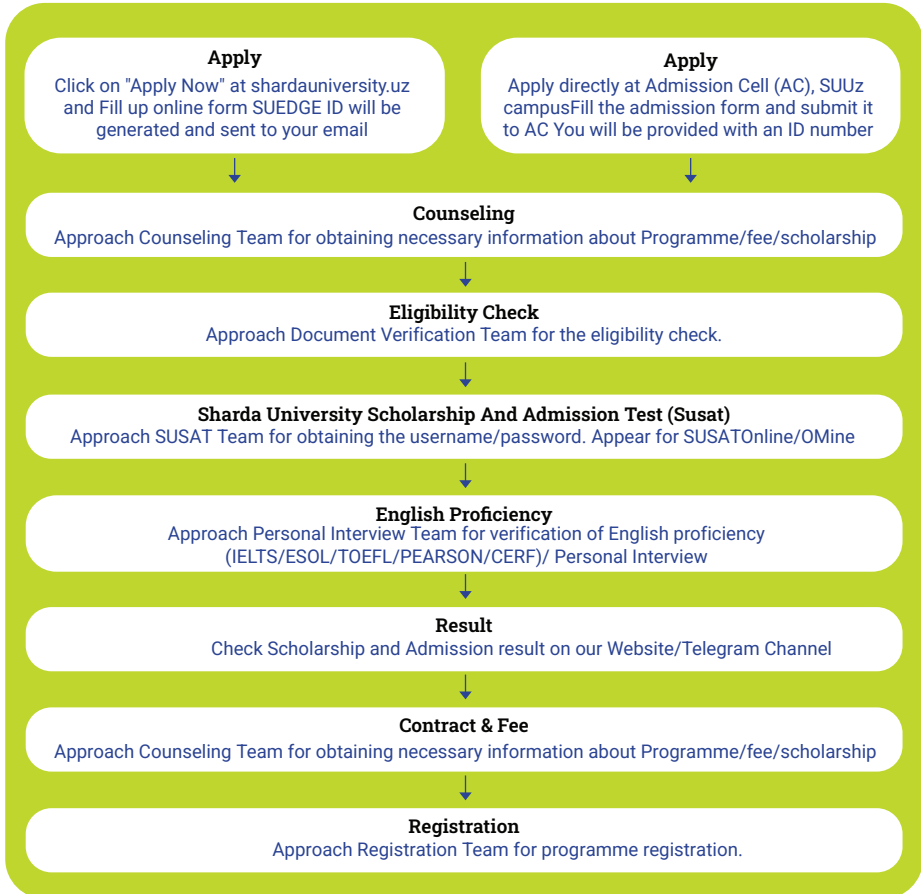

IELTS	ESOL	TOEFL	Pearson	CEFR
5.0 - 5.5	5.0 - B1	35 - 59	35 - 59	B1
5.0 - 5.5	5.0 - B1 5.0 - B1	35 - 59	35 - 59	B1
5.0 - 5.5	5.0 - B1 5.0 - B1	35 - 59	35 - 59	B1

The Cutoff scores for the above mentioned proficiency tests are given below:-

Proficiency Test	IELTS	ESOL	TOEFL	PEARSON	CEFR
<b>Cutoff score</b>	5	B1	35	36	B1

Candidates not having any English proficiency test result have to undergo Personal Interview. In the Personal Interview, candidates will be evaluated on a scale of 25.

## Admission Flow Chart

## Admission Score

On the scale of 100, Admission Score will be calculated by adding 70% of SUSAT score and 30% of English proficiency score. Candidates need to score minimum 20 marks in SUSAT and minimum 5.0 bands in IELTS /15 marks in Personal Interview in order to qualify for admission.

**Admission Score = S+E, where**  $S = (\text{SUSAT score} / 75) * 70$

If a candidate has international English proficiency test result, his/her score will be mapped with IELTS score as indicated below:-

$E = (\text{Score} / 9) * 30$

If a candidate has appeared for Personal Interview, the English proficiency score will be calculated as below:-

$E = (\text{PI score} / 25) * 30$

# Student Testimonials

I started studying Business Administration at Sharda University Uzbekistan in 2020 & got 100% scholarship. Ever since, I gained Crucial knowledge and experience which could help me to become one of the best inuential businesses persons in the future.

**Olimjonov Shokhjakhon Oybek O'g'li**  
(BBA 2020-2024)

I am delighted to provide a testimonial for Sharda University Uzbekistan, where I have been fortunate enough to receive a 100% scholarship for my studies. I can't express enough how grateful I am for this opportunity & how much I appreciate the incredible support and guidance I have received from the university.

**Mubinabonu Ganijonova**  
(BA-Applied English: 2020-2024)

I am beyond grateful to have been awarded a 100% scholarship at Sharda University Uzbekistan. This prestigious university has provided me with not only a top-tier education, but also countless opportunities for personal growth and development.
