

Full-Time Faculty – Associate Professor
for Teaching English as a Second/Foreign Language (TESL/TEFL) in Andijan,
Uzbekistan

Institution: Sharda University Uzbekistan
Location: Andijan, Uzbekistan
Category: Faculty - Liberal Arts - English as Second Language
Posted: 12 June 2019
Application Due: Open Until Filled
Type: Full-Time On Site

Synopsis of Role:

Full-time faculty members are first and foremost teachers and play a key role within a University. They are united by the common goal of inspiring academic excellence in students with a broad range of interests and experiences. They are key to creating a rewarding learning experience for students by engaging them, challenging them, and supporting them. They provide the resources for a quality learning experience for students by ensuring coherence in the discipline, rigor in the content, and relevance and currency to the practice. Full-time faculty members contribute to a range of activities that support student learning outcomes, program quality, and discipline integrity, all of which focus on student learning and retention. They work with other departments including instructional design, Library and course materials.

In order to establish superior educational programs, Sharda University Uzbekistan is looking for bright candidates, preferably foreign nationals, who will teach courses in Master of Arts in TESL (eight to ten courses each year), in addition to providing support with curriculum localization and professional development for other faculty. Tentative list of courses to teach:

- English conversation
- English reading
- English writing
- Business English

Minimum Qualifications:

Ph.D. degree with Master's in TESL/TEFL or Applied Linguistics in a related field, such as Applied Linguistics, Curriculum and Instruction, or Second Language Studies.

Preference will be given to applicants who have the following:

- a minimum of eight years of experience teaching ESL/EFL/ESOL;
- a minimum of two years of graduate teaching experience;
- documented good teaching;
- an ability to combine theory and practice in classroom instruction;
- experience working in an EFL context and/or teacher education for EFL instructors;
- broad experience in the following areas as demonstrated by advanced graduate course work, teaching experience, conference presentations, and/or publications: second language acquisition, curriculum design, ESOL methods, language testing, language planning and policy, culture and pragmatics, English for Academic Purposes, and English for Specific Purposes;
- experience providing professional development and/or running workshops for teachers;

- experience with curriculum development for graduate courses and for professional development;
- fluency in two languages;
- experience using LMSs to enhance face-to-face instruction;
- familiarity with mobile devices and apps to enhance classroom instruction; and
- documented service to professional organizations and professional contributions to the field.

Demonstrated university teaching experience, professional development, and teacher training with a focus on English language teaching in or for international contexts. Experience and knowledge of international academic environments. Familiarity with curriculum development, academic program delivery, faculty leadership and student affairs. Knowledge of university administration, policy and procedures. Understanding of higher education issues including academic support and student engagement.

The benefits and compensation will be as per industry norms and would include:

- Free Single Accommodation (on sharing basis) at Andijan, Uzbekistan
- Free one time to and fro air travel in one-year from origin of country to Uzbekistan
- Visa process by the organisation in India or in Uzbekistan
- Free medical insurance in Uzbekistan
- Free to and fro travel from hostel to campus in company vehicle.
- Contract of 1-year renewable (without family) as also short-term contracts.
- Deposit of Credentials for Concerned Ministry verification for registration process in case of any cost to be borne by organisation.
